Percent satisfied with learning environment	96.6%	83.8%	84.0%
Percent satisfied with social and physical environment	96.4%	88.2%	84.4%
Percent satisfied with school-home relations	96.6%	92.6%	76.0%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Belton Elementary School is committed to providing a climate where all students can achieve and experience success. Our mission, through collaborative efforts with the home and community, is to encourage students to believe in themselves, excel in performance, and to succeed in life. Our students continue to achieve academically. Once again our students scored well above the state average on the 2007 PACT in all subjects and in all grades. While we did not achieve AYP as defined by NCLB, our students made remarkable gains in all subjects. We are proud of their achievements. We will continue to focus on academic achievement, parental involvement, and teacher quality as outlined in our strategic and Title I plans.

We have a lot to celebrate at BES! We were recognized by the National Youth Organization for being a National School of Caring by participating in the "Souper Bowl" this year. We collected over 2000 food items that were dispersed to a local charity. In addition, we were recognized by State Farm for our service learning efforts for the Loggerhead Read-A-Thon from the previous school year. Our students continued to learn to be good citizens through participation in community projects such as Relay for Life and Pennies for Patients. All of our staff is highly qualified with one teacher achieving National Board Certification this past year. Our third grade students were able to take an educational field trip to Columbia in part through a grant funded by the Webb Craft Foundation. Our first ever Title I Parental Involvement Curriculum Nights were huge successes. Our programs focused on Math/Science, Technology and Literacy. In an effort to increase physical activity, we implemented a morning walking program called Panda Pacers. Students logged in hundreds of hours of walking during the year. To foster literacy efforts, we implemented a Morning Reading Program, Panda Book Club, a Poet-Tree to display student writing, and we started a monthly author study. We also began recognizing students throughout the year during our Quarterly Awards programs. We also acknowledged students who demonstrated outstanding character and citizenship on our Wall of Character and quarterly with a Panda Pride award.

Our students were recognized at the Anderson Regional Science Fair held at Clemson University where they received silver awards, and one student received a perfect award. In addition, BES was fortunate to have award-winning author Lester Laminack visit for the promotion of reading and writing. We continue to have strong participation in our Accelerated Reader program with record breaking achievements from our students and staff during this past school year.

In preparation for the upcoming school year, we will continue to focus on student performance. Attention will be placed on reaching even higher levels of student achievement. Specific efforts will include staff training in differentiated instruction, instructional technology, and literacy. We reach out to our community as we partner to continue our successes. We thank everyone who made this past year wonderful, and we look forward to greater achievements in the future.

Comprehensive detail, including definitions of rating, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.
